I am the attorney for the defendant, Ibrahima Ndiaye. I am writing to respectfully request an adjournment of sentencing from January 6, 2025, until a date in late March 2025. The defense requested the assistance of a mitigation expert for sentencing. The Court granted the defense request. The mitigation expert has indicated that she requires the additional time to conduct collateral interviews with Mr. Ndiaye's friends and family. It is important to note that Mr. Ndiaye is from Senegal and some of his collateral contacts are not within the United States and some feel more comfortable expressing their support verbally. No prior request for an adjournment of sentencing has been made. The Government consents to this request.

Very truly yours,

/s/
